U.S. Embassy, London
United Kingdom Grant Program

The U.S. Embassy in London's Grants program is designed to assist organizations implement programs that promote the U.S.-UK partnership. Priorities include but are not limited to:

- Strengthening U.S.-funded exchange alumni networks
- Highlighting the U.S.-UK *Special Relationship* with a priority on projects from outside of London
- Increasing the understanding of the United States with a particular focus on American innovation, diversity, volunteerism, and federalism
- Promoting tolerance and combating violent extremism

Grant application deadlines are as follows:

December 15

- Strengthening USG alumni networks
- Promoting a better understanding of the United States

March 15

- Advancing the U.S.-UK *Special Relationship*
- Promoting tolerance

Organizations or individuals wishing to submit proposals should:

1. Submit a full description of their project, including a detailed budget, in a separate MS Word or .pdf document
2. Submit the above documents by e-mail to Londongrants@state.gov.

The Public Affairs Section considers all requests received and will provide a written response whether the application was accepted or not. We encourage organizations to submit proposals, although not all applications will be funded due to budget constraints and other considerations. We look forward to receiving your proposals.
